Devanshi MittalContent Writer | Updated On - Feb 27, 2025*The article might have information for the previous academic years, please refer the official website of the exam. Concepts covered in Solutions are Boiling Point Elevation, Capacity of Solution to Dissolve Solute, Colligative Properties of Electrolytes, Colligative Properties of Nonelectrolyte Solutions, Depression in Freezing Point, Introduction to Solutions, Osmosis and Osmotic Pressure, Solubility, Types of Solutions, Vapour Pressure Lowering, Vapour Pressure of Solutions of Liquids in Liquids. Concepts covered in Chemical Thermodynamics are Chemical Thermodynamics, Concept of Maximum Work, Enthalpies of Physical Transformations, Enthalpy (H), Expression for Pressure-volume (PV) Work, First Law of Thermodynamics, Internal Energy (U), Nature of Heat and Work, Spontaneous (Irreversible) Process, Terms Used in Thermodynamics, Thermochemistry. Concepts covered in Electrochemistry are Electrical Conductance of Solution, Electric Conduction, Electrochemical Cells, Electrochemical Series (Electromotive Series), Electrochemistry, Electrode Potential and Cell Potential, Electrolytic Cell, Fuel Cells, Galvanic or Voltaic Cell, Reference Electrodes, Thermodynamics of Galvanic Cells. Concepts covered in Chemical Kinetics are Chemical Kinetics, Collision Theory of Bimolecular Reactions, Effect of a Catalyst on the Rate of Reaction, First Order Reactions, Half Life Period of a Reaction, Integrated Rate Equations, Integrated Rate Law for Gas Phase Reactions, Molecularity of Elementary Reactions, Pseudo First Order Reaction, Rate of Reaction and Reactant Concentration, Rate of Reaction, Temperature Dependence of Reaction Rates, Zero Order Reactions. Concepts covered in Elements of Groups 16, 17 and 18 are Anomalous Behaviour of Fluorine, Anomalous Behaviour of Oxygen, Atomic and Physical Properties of Elements of Group 16, 17 and 18, Chemical Properties of Elements of Groups 16, 17 and 18, Chlorine, Concept of Group 18 Elements, Electronic Configuration of Elements of Group 16, 17 and 18, Occurrence of Elements of Groups 16, 17 and 18, Oxoacids, Oxygen and Compounds of Oxygen. Concepts covered in Transition and Inner transition Elements are Applications of Actinoids, Applications of Lanthanoids, Chemical Properties of K₂Cr₂O₇, Chemical Properties of KMnO₄, Common Properties of d Block Elements, Electronic Configuration of Transition and Inner Transition Elements, Extraction of Metals, Inner Transition (f-block) Elements: Lanthanoids and Actinoids, K₂Cr₂O₇: Preparation of Potassium Dichromate, Oxidation States of First Transition Series, Physical Properties of First Transition Series, Position in the Periodic Table of Transition and Inner Transition Elements, Postactinoid Elements, Preparation of Potassium Permanganate, Properties of Actinoids, Properties of f-block Elements, Properties of Lanthanoids, The Actinoids, Transition and Inner Transition Elements, Trends in Atomic Properties of the First Transition Series, Uses of KMnO₄. Concepts covered in Aldehydes, Ketones and Carboxylic acids are Chemical Properties of Aldehydes and Ketones, Chemical Properties of Carboxylic Acids, Chemical Reactions of Aldehydes and Ketones - Reactions Due to α-hydrogen, Classification of Aldehydes, Ketones and Carboxylic Acids, Introduction of Aldehydes, Ketones and Carboxylic Acids, Nomenclature of Aldehydes, Ketones and Carboxylic Acids, Physical Properties, Polarity of Carbonyl Group, Preparation of Aldehydes and Ketones, Preparation of Carboxylic Acids. This page has Solved Question Bank for Class 12 HSC for Chemistry (Science). Maharashtra State Board provides this Question Bank. 12th Standard Board Exam SCERT Maharashtra solutions answers all the questions given in the SCERT Maharashtra textbooks in a step-by-step process. Our Chemistry tutors have helped us put together this for our 12th Standard Board Exam Students. The solutions on Shaalaa will help you solve all the SCERT Maharashtra 12th Standard Board Exam Chemistry questions without any problems. Every chapter has been broken down systematically for the students, which gives fast learning and easy retention. Shaalaa provides free SCERT Maharashtra solutions for Chemistry (English) 12 Standard HSC. Shaalaa has carefully crafted SCERT Maharashtra solutions for 12th Standard Board Exam Chemistry that can help you understand the concepts and learn how to answer properly in your board exams. You can also share our link for free 12th Standard Board Exam Chemistry SCERT Maharashtra solutions with your classmates. If you have any doubts while going through our 12th Standard Board Exam Chemistry SCERT Maharashtra solutions, then you can go through our Video Tutorials for Chemistry. The tutorials should help you better understand the concepts. 12th Standard Board Exam SCERT Maharashtra Solutions answer all the questions in the SCERT Maharashtra textbooks in a step-by-step process. Our Chemistry tutors helped us assemble this for our 12th Standard Board Exam students. The solutions on Shaalaa will help you solve all the SCERT Maharashtra 12th Standard Board Exam Chemistry questions without any problems. Every chapter has been broken down systematically for the students, which gives them fast learning and easy retention. Shaalaa provides a free SCERT Maharashtra answer guide for Chemistry 12th Standard Board Exam, Maharashtra State Board. Shaalaa has carefully crafted SCERT Maharashtra solutions for the 12th Standard Board Exam Chemistry to help you understand the concepts and adequately answer questions in your board exams. If you have any doubts while going through our 12th Standard Board Exam Chemistry SCERT Maharashtra solutions, you can go through our Video Tutorials for Chemistry. The tutorials help you better understand the concepts. Finding the best Chemistry 12th Standard Board Exam SCERT Maharashtra Solutions Digest is significant if you want to prepare for the exam fully. It's crucial to ensure that you are fully prepared for any challenges that can arise, and that's why a heavy, professional focus can be an excellent idea. As you learn the answers, obtaining the desired results becomes much easier, and the experience can be staggering every time. The following Maharashtra State Board SCERT Maharashtra 12th Standard Board Exam Chemistry Book Answers Solutions Guide PDF Free Download in English Medium will be helpful to you. Answer material is developed per the latest exam pattern and is part of SCERT Maharashtra 12th Standard Board Exam Books Solutions. You will be aware of all topics or concepts discussed in the book and gain more conceptual knowledge from the study material. If you have any questions about the Maharashtra State Board New Syllabus 12th Standard Board Exam Chemistry Guide PDF of Text Book Back Questions and Answers, Notes, Chapter Wise Important Questions, Model Questions, etc., please get in touch with us. The SCERT Maharashtra Chemistry 12th Standard Board Exam Maharashtra State Board solutions are essential as they can offer a good improvement guideline. You must push the boundaries and take things to the next level to improve. That certainly helps a lot and can bring tremendous benefits every time. It takes the experience to the next level, and the payoff alone can be extraordinary. You want a lot of accuracy from the SCERT Maharashtra solution for Chemistry 12th Standard Board Exam. With accurate answers, you'll have the results and value you want. That's why you want quality, reliability, and consistency with something like this. If you have it, things will undoubtedly be amazing, and you will get to pursue your dreams. Suppose you acquire the Chemistry SCERT Maharashtra 12th Standard Board Exam solutions from this page. In that case, they are fully formatted and ready to use, helping make the experience simpler and more convenient while offering the results and value you need. That's what you want to pursue, a genuine focus on quality and value, and the payoff can be great thanks to that. Our SCERT Maharashtra Chemistry Answer Guide for the 12th Standard Board Exam Maharashtra State Board covers all 16 chapters. As a result, you will be able to fully prepare for the exam without worrying about missing anything. You rarely get such a benefit, which makes the Chemistry 12th Standard Board Exam Maharashtra State Board SCERT Maharashtra solutions provided here such an extraordinary advantage that you can always rely on. Consider giving it a try for yourself, and you will find it very comprehensive, professional, and convenient at the same time. Our Maharashtra State Board SCERT Maharashtra solutions for Chemistry 12th Standard Board Exam cover everything from Solid State, Solutions, Ionic Equilibria, Chemical Thermodynamics, Electrochemistry, Chemical Kinetics, Elements of Groups 16, 17 and 18, Transition and Inner transition Elements, Coordination Compounds, Halogen Derivatives, Alcohols, Phenols and Ethers, Aldehydes, Ketones and Carboxylic acids, Amines, Biomolecules, Introduction to Polymer Chemistry, Green Chemistry and Nanochemistry and the other topics. Yes, these are the best SCERT Maharashtra 12th Standard Board Exam Chemistry solution options on the market. You must check it out for yourself; the experience can be impressive. You get to prepare for the exam reliably, comprehensively, and thoroughly. Please look at our Chemistry 12th Standard Board Exam Maharashtra State Board answer guide today if you'd like to handle this exam efficiently. Just browse our solutions right now, and you will master the SCERT Maharashtra exam questions in no time! It will offer an extraordinary experience every time, and you will not have to worry about any issues. Maharashtra HSC Question Bank HomeMH Board Maharashtra HSC Question Bank • Shaalaa.com have provided detailed solutions of SCERT Maharashtra textbooks. • All SCERT Maharashtra solutions are free, accurate, and easy to understand. • Questions and Answers of all Chapters for all crucial subjects. • Answers have been given in easy and understandable language. • Very useful for quick revisions while preparing for board examinations and unit tests. Students who study SCERT Maharashtra solutions from Shaalaa for all subjects will get notes, sample papers, and exam answers for the best learning experience. While you are preparing for most exams, it is essential to complete your syllabus. Another vital aspect is effectively utilizing your time. Exam preparation should begin earlier so that you always get a chance to revise your studies. Start to Study Early: People can only study part of their portion a day before their examination. Finishing the entire syllabus at least a few weeks before the examination is essential and will give you time to revise the study material. Reading the SCERT Maharashtra textbook can help you a lot. Organize yourself: You'll need to organize so that you know the portion that needs to be covered daily. Planning how many days you have to finish your studies is crucial. So that you have enough time to revise, solve questions can go a long way. Now it is time for some actual studying. Once you finish reading, mark and reread all the difficult points to understand them better. Making brief points that help you recall the entire concept will prepare you while you refer to the SCERT Maharashtra textbook. Using Shaalaa, you can find SCERT Maharashtra model question papers and past year's question papers. You can solve these question papers and then use the solutions to check yourself. This method will help increase one's writing speed and confidence level, help one understand which concepts one is weak in, and help one give more time to those concepts. On Shaalaa, SCERT Maharashtra book solutions are available as free PDFs for different subjects from class 10 to class 12. These can be referred to whenever you need them. The answers are categorized chapter-wise for each subject. These chapter-wise solutions help students find their resources quickly. Students can answer a question but want to check if their answer is correct. Or they might need help answering the question. The SCERT Maharashtra solution guide can help students during their regular studies. Now, you can refer to solutions on Shaalaa to understand how to structure an answer appropriately. One of the most effective ways to prepare for exams is to practice solving past versions (past year's question papers). This way, you get used to the format of the paper and the individual questions. Timing yourself while answering is a great practice. It helps to understand that you give the correct time for every question and section. Remember that being well-hydrated is essential for your body and brain to work at their best. Make sure you keep drinking plenty of water throughout, whether it is your revision or your exam day. Parents, brothers, and sisters don't have to be annoying around exam time. Use them to your advantage. Explain an answer to a question to them, which will help you understand the concept in your head. If you cannot explain it to them, you will know it's time to go back and understand the question yourself. Shaalaa - your personal edge We at Shaalaa strive for students to do their best in an exam and, at the same time, improve their knowledge. The answers mentioned above in the SCERT Maharashtra textbook are one of the solutions provided by Shaalaa. Students can refer to past year's question papers and their solutions. All this is free. The Maharashtra HSC question bank PDF 2025 with solutions combines question papers for different subjects, such as Mathematics and Statistics, Physics, Chemistry, Biology, History, Geography, German, Computer Science, Russian, Chinese, Economics, and French. Students preparing for the board exam can check and download the question bank to understand the question types, patterns, and question-wise marking scheme. The Maharashtra HSC 2025 question bank PDF can be downloaded in the Marathi and English medium, and covers questions that are likely to appear in the upcoming examinations, making it important to practice for scoring good marks.
