

I'm not robot!

The **Maths** Math Program was developed by the Florida Department of Education. The program is voluntary and serves to supplement students' math homework and homework. The goal of the **Maths** Math Program is to enhance students' math learning. The program is a great way for parents/guardians to assist their children in exploring the world of mathematics, while helping to increase their knowledge and understanding. We hope you and your children embark on a fun and educational journey exploring the wonders of the world of mathematics!
