MADE IN INDIA APP FOR SHARING FILES

Softonic reviewClip is the best place for downloading videos from the Internet. This app is the best source for you to enjoy unlimited and free videos. It's a pretty simple app to use. In order to create a video status, all you have to do is to choose an image from the gallery or select the photo you have saved on your device. Also, you can edit your video status by applying a few different types of videos such as short clips, cartoons, funny videos, music videos, as well as many more categories. You can even customize the video status by applying different colors, stickers, and text. Once your video status is ready, you will be able to share it on your favorite social media platform such as WhatsApp and Facebook. For now, there is only one Indian language supported in the app, so if you use any other language, then you can send your video status to your friends by just clicking the share button and the app will instantly convert your video status into the desired language. Download the app now and see the best of India in the form of videos uploaded by the best of India. Developer Name: Clip India Update Date: April 2, 2019 Offline apk Version: v-clip Apk Category: Social "Share funny video status on WhatsApp | Video Downloader - make friends & chat" Advertisement Description Screenshots Latest Reviews Rating Similar Apps How to Install
