

I'm not robot!

Your study materials were EXCELLENT and I loved the fact you had pictures of how to do the scenarios in Salesforce, as well as more focused study sheets - and I would highly recommend it to anyone looking to pass the exams! ~ Renee Mercer AdministratorStudy GuideIn order to pass the Administrator certification, you'll find that knowledge and experience of the Salesforce platform aren't enough. You also need to get to grips with the exam itself.You need a guide that summarises the key certification objectives in plain English, using examples, diagrams, charts and topic reviews to make sure you've cemented your understanding.That's why we created the Administrator Certification Study Guide.It will help you understand confusing or difficult concepts from the official Salesforce Certification Exam Guide and brush up on your skills - all in a format that's easy to digest and has been proven to work with thousands of happy customers. The Administrator Study Guide will help you focus on the key points you need to know to pass the exam.Covering all objectives, this study guide includes videos, screenshots and diagrams to illustrate key concepts, as well as visually explain and demonstrate Salesforce functionality.The Salesforce help pages and videos are great when you want to know all the details, but the Administrator Certification Study Guide provides a summary of all topics in study guide format.You need a guide that summarises the key certification objectives in plain English, using examples, diagrams, charts and topic reviews to make sure you've cemented your understanding.Every objective is explained in detail.The Administrator Certification Study Guide includes screenshots, summary points and diagrams to illustrate key concepts, as well as visually explain and demonstrate Salesforce functionality. Look Inside What's IncludedCovers all 7 Sections of the official Salesforce Certification Exam Guide Explains in detail all objectives within each section (a total of 26 objectives) Topic summaries that you can use to learn the topics efficientlyFree Access to interactive Study Group Sessions and study group recordings Topic Videos from Guest Instructors that you can watch to learn the topicsExplanations in plain English, with 350+ screenshots and diagrams rather than endless, unremarkable textReview Flashcards (with questions and answers) for each sectionEasy to read bullet pointsIncludes links to lots of extra resources for further readingScenarios and requirements with sample answers to test your ability to determine solutionsUnlimited Access and Updates for 12 monthsTestimonials "I think the study guide is very helpful, especially how the units/sections seem to match up well with the study guide. This is a valuable tool available to individuals looking to study for and pass the Salesforce Administration exam." "I am finding your course very useful for studying the Salesforce Certification Exam for Administrators.The topics are very clear and you definitely used the K.I.S.S method on it - Great!" Testimonials"I think the study guide is very helpful, especially how the units/sections seem to match up well with the study guide.This is a valuable tool available to individuals looking to study for and pass the Salesforce Administration exam.""I literally just passed my Admin 201 certification, and just want to say the combination of the study guide and the practice exams were largely responsible for me passing.I had awful practice test scores before I used the FocusOnForce Study Guide and Practice Exams.Thanks, FocusOnForce team.""I am finding your course very useful for studying the Salesforce Certification Exam for Administrators.The topics are very clear and you definitely used the K.I.S.S method on it - Great!" Why Choose Us?I'm Martin Gessner, founder of Focus on Force.I've spent ten years working with the Salesforce platform in various roles (including Business Analyst, Project Manager, Consultant, Solutions Designer and Solutions Architect), and worked my way through 10 certifications in order to move up the career ladder.I created Focus on Force after realizing that others could benefit from the methods I used to pass Salesforce certifications. Why Choose Us?I'm Martin Gessner, founder of Focus on Force.I've spent eight years working with the Salesforce platform in various roles (including business analyst, project manager, consultant, solutions designer and solutions architect), and worked my way through 10 certifications in order to move up the career ladder.I created Focus on Force after realizing that others could benefit from the methods I used to pass Salesforce certifications. With our study guides, you get to...Improve your knowledge and confidence.Brush upon your Salesforce training or kick off your learning if you don't have on-the-job experience.No long, tedious walls of text to read through! Instead you'll find screenshots, links for references, review Q&As for every topic, and lots of other engaging stuff.We help you focus on the key points you'll need to know in order to pass. Frequently Asked Questions Do I interact with a real person at all? We have an active forum, in which you'll be able to interact with others studying the same certification as you. We are also on hand to answer your questions in the forum. Why should I pay for this, when there are many free sites out there? We know there are many sites out there with material related to the exams.The problems with these sites are :- The information is sometimes incorrect, which will cause you to become confused- They don't cover all of the exam objectives- They are not updated for the latest release.- They don't allow you to study one particular objective.We make your study more efficient by covering each and every exam guide objective and providing it in a form that you are can use for your review and learning. Is there a money back guarantee? We can't guarantee that you'll pass the exam, it's up to you to use the materials to help you prepare. Check the testimonials though, there are many happy Salesforce-certified people who have found our study guides and practice exams helped them.We do promise that we have done our best to make sure the materials are accurate and up to date. What release is the study guide based on? The study guide materials are updated shortly after each release. You will get any release updates for free during the 1 year of access after purchase. Is there a limit for access to the study guide? You have access to the study guide for 12 months from the date of purchase. During that time, you may access the study guide as many times as you like to practice. You will get all release updates to the exams during your access. Testimonials "I found the study guide useful and the highlights (in bold) really helped to reinforce the key points.Also, the high resolution pictures certainly help when visualizing the scenarios that the exams put you through." "I found your site very helpful.I have recommended it to several people I know who are also studying for the System Admin exam.I felt that your site prepped me more accurately than some of the other options out there." Complete your study package with theAdministrator Practice Exams Administrator Practice Exams © Focus On Force | All Rights Reserved | Privacy | Contact You can find literally hundreds of resources online to study for the Salesforce Administrator Certification. Here are some that are recommended by a few of our Kent State certified Admins. Free Resources: Online Courses available to Kent State: "Administration Essentials for New Admins" "Preparing for Your Salesforce Administrator Certification" To access these resources login to Salesforce, then go to Help & Training located to the left of the App Menu. From here go to Training & Certification by clicking "Find a course" below the tile. Search for the class you wish to take from here - be sure to search the online courses instead of the Instructor-Led, those are not available through our contract. Trailhead: Trailhead provides administrators a learning path through the key features of Salesforce, using a set of interactive, online tutorials. Recommended modules: Salesforce Platform Basics - Get introduced to the platform, navigate use cases, and build your first app. Data Modeling - Give your data structure with objects, fields, and relationships. Data Management - Import and export data in Force.com. Salesforce1 Mobile Basics - Customize your mobile experience with Salesforce1. UI Customization - Customize your app's user interface without code. Chatter Basics - Develop a Chatter rollout strategy and help your users get started with enterprise social collaboration. Reports & Dashboards - Build real-time reports and charts to visualize key business metrics. App Customization - Customize your app's interface without writing any code. Leads & Opportunities - Learn how you can power your sales process with leads and opportunities in Salesforce. Change Management - Safely deploy changes by developing them like apps. Service Cloud Basics - Deliver extraordinary customer service with multi-channel support. User Management - Set up users and control how they can view or edit your business data. To get started visit and sign up. If you are going to serve as a Salesforce Administrator in your department, you should consider becoming a Certified Salesforce Administrator.
